## CERTIFICATE OF APPRECIATION

Presented to: *Switzerland*

**In recognition of your valued participation in the 1st Tap Water Tasting Journey Across Europe, held on 22 May 2025 in Brussels on the occasion of EurEau's 50th anniversary!**

Your contribution brought unique insights and flavors that enriched our celebration of Europe's diverse and high-quality tap water.

By sharing your country's story from source to tap, you reinforced the belief that, wherever you are in Europe, tap water is safe and of high quality, treated according to the same rigorous standards, as a result of years of effort by organisations like EurEau, which have played a key role in shaping a sustainable water future in Europe.

**With appreciation for your dedication to excellence in water communication and your support of EurEau's mission, let's continue to bring our waters – and our stories – together.**

*On behalf of the EurEau Communications Working Group*
